## MBSEQ V4 FPE Panel for TK's Case Bulk order

This is a preliminary tally of ppl interested in purchasing a panel specifically made for TK's case. These have the flanges on the top to go into the profiles. Individually, they are \$200 but if we can get 10+ ppl to go in at once, that drops to \$160, 20+ is \$140. Shipping has not be calculated yet
