

Circuits

Circuit designs that can be incorporated into projects.

- [RIAA Compensated Stereo Preamp](#) - A turntable preamp board and circuit design. useful if you want to make a Traktor mixer/Controller with an optional turntable input.
- [discovercircuits.com](#) - discover circuits, has 25,000+ electronic circuits or schematics cross-referenced into 500+ categories. As a vital resource for engineers, hobbyists, inventors & consultants, the site's collection of information will help you find quick solutions to electronic design problems.
- [Electronics Lab](#) - find useful circuits with full description, diagrams and PCB, electronics articles, links and downloads.  very cool site for electronics
- [ElectronicsInfoline.com](#) - Circuit book, lots of different circuits. Slowly being migrated to [this blog](#)
- [Mondo Technology](#) - More circuits
