

Alps RSAON11M9A07 Motorized Fader Group Buy

First Batch is Here!

This bulk order is for Alps "N" type motor faders. These are the 10k ohm, 100mm long units designed to mount directly to a circuit board. Price is \$12 (US Dollars) each plus shipping. I need to order them in multiples of 160 - the first batch has been ordered and is here. As soon as there are enough people on the list, I will order the next batch.
