Type midimon here to search forum.

Add links to photos!

- Please, if you decide to build a midimon, take some photos before and after you put it in a case. Add them to a new forum topic and link[1)] it from here. Add any other info like what version of board was used and midimon version etc…it helps newbies like me a lot.
- Also, if you are reading this and have a midimon that you created, it'd be cool if you take a photo too and insert a link to it from here.

1)
It's easy to insert a link, first sign in, click on the 'edit this page' button, then type 2 square open brackets, paste your url, and type 2 square closed brackets.
