MB-6582 Power Switch Bulk Order

I have about 60 (?) spare DPDT rocker switches that are identical to C64 power switch and fit the MB-6582 PCB.

These come with SmashTV's parts kits already.

So if you can get them from SmashTV, you don't need to get them from me. I'm only trying to make sure I have enough for everyone who needs them and avoid people having more than they really need.

Estimated cost will be AU$2 each plus AU$2 postage worldwide (except Australia, which will be cheaper) for up to 4 switches.

There is no need for me to wait until all 60 (?) are allocated. I will just send PayPal invoices as required, using the PayPal email address you have used for the MB-6582 PCB order. Please make sure your PayPal account has your current and correct postal address.

THIS OFFER IS ONLY TO PEOPLE WHO ARE NOT BUYING MB-6582 PARTS KITS FROM SMASHTV

THIS OFFER IS ONLY TO PEOPLE WHO HAVE ALREADY BOUGHT MB-6582 PCBS DIRECTLY FROM ME

THERE IS A LIMIT OF ONE PER MB-6582 BASE PCB BOUGHT FROM ME

Click on the “Edit this page” button (top left corner) and add your MIDIbox username and quantity of rocker switches you need.
